62nd executive order to mitigate the spread of COVID-19

signed another executive order – the 62nd since he enacted the emergency declarations – that builds upon his mitigation strategies that slow down transmission of the virus. [Executive Order No. 7III](#) enacts the following

Self-quarantine: Repeals Executive Order No. 7BBB, Section 1.

Quarantine for travelers from states with high COVID-19 infection levels: Implements a mandatory self-quarantine for travelers from states with high infection or test positivity rates for COVID-19. This includes requiring affected travelers to complete a form upon entry into Connecticut for submission to the Department of Public Health. Failure to comply with the order will result in a \$1,000 penalty.

Emergency or regulatory deadlines by DMV: Permits the commissioner of the Department of Motor Vehicles to extend emergency or regulatory deadlines pertaining to matters under her jurisdiction for 90 days.
