Gov. Ricketts Announces Butler, Hall, Hamilton, Merrick, Polk, Seward, and York Counties Now Included in State's Directed Health Measure

LINCOLN – Today, Governor Pete Ricketts announced that the state's third COVID-19 related Directed Health Measure (DHM) includes Butler, Hall, Hamilton, Merrick, Polk, Seward, and York counties, which will be in effect until May 6th unless renewed.

The first DHM, issued on March 18th, applies to Cass, Douglas, and Sarpy counties and is in effect until at least April 30th.

The second DHM, issued on March 25th, applies to Dodge, Lancaster, Saunders, and Washington counties and is in effect until at least May 6th.

The DHM and quarantine directions covering all of these counties can be found by clicking here (<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.dropbox.com%2F%2Fqaasj30cvqp9mun%2FDHM%25203.28.2020.pdf%3Fd1%3D0&data=02%7C01%7Ctaylor.gage%40nebraska.gov%7Cd574bde17f324adae3f308d7d32cb27e%7C043207dfe6894b>)

The DHM imposes an enforceable limit on public gatherings. Among other steps, the DHM requires restaurants and bars in these areas to close their dining areas immediately and move to takeout service, delivery, and/or curbside service only until further notice. Additionally, schools in these areas are directed to operate without students in their buildings. This restriction does not apply to school staff working in school buildings. It also does not apply to daycares that may be operated at a school per the Governor's executive order regarding childcare, which you can access by clicking here (<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.dropbox.com%2F%2F519dprxk19cogx2%2FE0%252020-08%2520-%2520Expanding%2520Access%2520to%2520Child%2520Care%2520Options.pdf%3Fd1%3D0&data=02%7C01%7Ctaylor.gage%40nebraska.gov%7Cd574bde17f324adae3f308d7d32cb27e%7C043207dfe6894b>)

Counties other than those noted above remain under the guidance issued March 18th by the Governor's Office. You can find it by clicking here (<https://gcc02.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.dropbox.com%2F%2Fxydt318je28fzox%2FDHHS%2520Guidance%25203.16.2020%25207.40pm.pdf%3Fd1%3D0&data=02%7C01%7Ctaylor.gage%40nebraska.gov%7Cd574bde17f324adae3f308d7d32cb27e%7C043207dfe6894b>) If further community transmission cases of COVID-19 occur in other regions of the state, the Governor will announce DHMs covering the additional regions.

Pour has issued an order covering Douglas County from March 18, 2020 through April 30, 2020. UNDERSTANDING THE STATE'S DIRECTED HEALTH MEASURE

Who does the Directed Health Measure apply to?

It applies to places such as theaters, churches, houses of worship, gyms, social clubs, salons, and social gatherings, including weddings, funerals, concerts, and athletic events. This is not an exhaustive list, but illustrates the types of locations the DHM applies to.

Do I need to shut down my bar or restaurant?

At bars and restaurants, it applies to patrons, not to your workforce. Restaurants and bars are encouraged to ask their patrons if they can prepare their order for takeout upon arrival. Restaurants will play a key part in feeding people throughout the pandemic.

Do I need to shut down my daycare?

No. DHHS has issued new guidance that daycares need to follow. You can find it by clicking here (<http://dhhs.ne.gov/Documents/COVID-19%20Schools%20and%20Childcare.pdf>).

Do I need to shut down my office?

No. The Directed Health Measure does not apply to places such as office buildings, grocery stores, pharmacies, hospitals, nursing homes, correctional facilities, court houses, court rooms, banks, car dealerships, auto repair shops, nursing homes, long-term care facilities, small shops, golf courses, big box stores, gas stations, convenience stores, shopping malls, manufacturing facilities, packing facilities, construction jobs, and other traditional office settings. This is not an exhaustive list, but illustrates the types of locations the DHM does not apply to.

Furthermore, we do not expect these facilities to be impacted by additional limits at this time.

Do I need to cancel a wedding or a funeral?

Weddings and funerals are also subject to the 10-person limit. Event planners and facilities are encouraged to be flexible with people who are rearranging their plans.
