About this capture

States with travel restrictions upon entry to Rhode Island : Sheet1

If you are coming to Rhode Island from one of the states listed below with a positivity rate of COVID-19 greater than 5%, you will either have to self-quarantine for 14 days while in Rhode Island, or produce proof of a negative test for COVID-19 that was taken within 72 hours prior to arrival in Rhode Island. If you receive a test after arriving in Rhode Island and get a negative test result, you can stop quarantining.
