The COVID-19 Data Review Panel reviewed and verified the data used to inform the WVDE Saturday Education Map to ensure both accuracy and reliability. The panel considered data captured at 11:59 p.m., Thursday, October 8, 2020. As a result, there may be differences between the WVDE map and the DHHR County Alert Map.

The county color announced each Saturday at 5 p.m. will be in effect until the following Saturday at the same time with the exception of a county turning red during the course of the week. Once reviewed, that change may be made immediately to the WVDE map because all in-person instruction and extracurricular and athletic activities would be suspended.

All schools, both public and private, are expected to adhere to the WVDE Saturday Education Map to guide in-person instruction and extracurricular activities.
