Effective immediately, restaurants can go to 100% capacity for indoor dining in all 10 counties in NH.

Tables will still be required to be six feet apart, and all other public health guidelines remain in effect.

Was planning on vacationing there next month. Now have to seriously reconsider. #SturgisSpreadCoronavirus #SeniorCitizens prefer to play it safe.

"States that have reopened bars and indoor dining have higher rates of coronavirus transmission that those that haven't. That's according 2 a new analysis from the the Center for American Progress that identifies indoor dining as a key activity in contributing to Covid-19 spread"

Thank you Governor. If anyone isn't comfortable, they can still order their food to go.
