Governor Lamont Provides Update on Connecticut's Coronavirus Response Efforts

Latest Data as of 7:00PM on Tuesday, June 30, 2020

(HARTFORD, CT) – As the State of Connecticut continues taking actions in response to the global spread of coronavirus disease (COVID-19), Governor Ned Lamont provided the following updates as of 7:00 p.m. on Tuesday, June 30, 2020:

Data updates on testing in Connecticut

The following is a summary of the day-to-day newly reported data on cases, deaths, and tests in Connecticut. It is important to note that these newly reported updates include data that occurred over the last several days to a week. All data in this report are preliminary, and data for previous dates will be updated as new reports are received and data errors are corrected.

“Today’s metrics, with an all-time high in tests reported and all-time low in test positivity rate, reflect momentum in our testing strategy and discipline from the people of Connecticut to wear masks, keep their distance, and follow our guidelines.” **Governor Lamont said.** “At a time when cases are spiking in so many other parts of the country, we need to keep our guard up and not take these numbers for granted, now more than ever.”

Overall Summary	Statewide Total (includes confirmed and probable cases)	Change Since Yesterday
COVID-19 Cases	46,514	+152
COVID-19-Associated Deaths	4,322	+2
Patients Currently Hospitalized with COVID-19	98	-1
COVID-19 PCR Tests Reported	464,414	+21,416

County-by-county breakdown:

Governor Lamont signs 58th executive order to mitigate the spread of COVID-19

Governor Lamont today signed another executive order – the 58th since he enacted the emergency declarations – that builds upon his efforts to encourage mitigation strategies that slow down transmission of the virus. **Executive Order No. 7EEE** enacts the following provisions:

- **Authorization for DSS to provide funding from the Coronavirus Relief Fund to additional providers:** Authorizes the Department of Social Services to distribute funding from the Coronavirus Relief Fund to other types of health care institutions in addition to nursing homes, which was previously authorized.
- **Online continuing education for plumbers and electricians:** Allows continuing education classes for electricians and plumbers to be conducted online.

Regional travel advisory updated to include eight additional states

The regional travel advisory between Connecticut, New Jersey, and New York that [went into effect last week \(/Office-of-the-Governor/News/Press-Releases/2020/06-2020/Governor-Lamont-Governor-Cuomo-and-Governor-Murphy-Announce-Joint-Incoming-Travel-Advisory\)](#) and directs incoming travelers from states with a significant community spread of COVID-19 to self-quarantine for a 14-day period was updated today and now includes 8 additional states for a total of 16. The quarantine applies to any person arriving from a state with a positive test rate higher than 10 per 100,000 residents over a 7-day rolling average or a state with a 10 percent higher positivity rate over a 7-day rolling average.

As of today, the states meeting the high-positivity criteria include:

- Alabama
- Arkansas
- Arizona
- California
- Florida
- Georgia
- Iowa
- Idaho
- Louisiana
- Mississippi
- North Carolina
- Nevada
- South Carolina
- Tennessee
- Texas
- Utah

This list will be updated on a regular basis as the situation develops across the country. For more information on the travel advisory, [click here \(/Coronavirus/Covid-19-Knowledge-Base/Travel-In-or-Out-of-CT\)](/Coronavirus/Covid-19-Knowledge-Base/Travel-In-or-Out-of-CT).
